

## Choosing the right course

- Make sure you select courses that follow what you will need to take according to what is required for graduation
- If you are making an A or a B in a course this year, consider taking a higher level course next year. For example an honors or Advanced Placement course
- If you are not doing well in your current class this year, **do not** select a higher level course. This will ensure that you give yourself the opportunity to bring up your GPA
- Registration presentation will be available on our website under the guidance tab

## Early Release/Late Arrival (Partial Schedules)

- Students wanting to have early release or late arrival (partial schedule) need to complete the contract. Students must meet the criteria listed on the contract in order to be approved for a schedule less than 7 credits
- Students must let their counselor know which courses they do not wish to take on campus and which periods they want to have on campus
- Contracts need to be turned in to your counselor by **March 1<sup>st</sup>** to ensure that schedules can be changed since there will be no changes over the summer

# SSC Dual Enrollment

- There are three different types of dual enrollment
  - Vocational
  - Career
  - Academic

\*\*See your curriculum guide for details

# Finalizing Schedule Requests

- All course requests are subject to change based on budget, class size, and student achievement for the remainder of the year
- Counselors will review and make any necessary changes. For example: a student did not meet prerequisite; student already completed course; reading scores, etc.
- **Please note that counselors will not be available every day over the summer to make schedule change requests**
- Turn form back to your American History teacher no later than **FEBRUARY 10<sup>th</sup>!**
- **View the curriculum guide and this presentation online**

## ACT and SAT

- These are college entrance exams given multiple times a year. Students with free/reduce lunch status can receive 2 fee waivers for each exam.
- The ACT & SAT exams can also be used to meet the FSA Reading requirement by earning a specific concordant score.
- We recommend students take these exams during the Spring semester of their Junior year.
- \*SCPS School day SAT for Juniors will be on **March 1, 2017**

## Other important reminders

- Community Service
- Bright Futures Scholarship
