**Art / Photography:** The LBHS art department offers a wide range of classes, including Art 2D Design, Drawing, Painting, Printmaking, Photography I-IV, Portfolio, AP Art History, and AP Studio Art. LBHS students have won numerous awards at local and national art shows and are recipients of scholarships at various universities and art colleges. Our students also have artwork on display at the Florida State Capitol and the US Congressional Building.

**Ms. Ashley Barody, Art; 407-746-3617**

**Mrs. Susan J. Brown, Photography; 407-746-3591**

**Band:** The band program offers courses in Concert and Symphonic Band, Wind Ensemble I & II, Instrumental Techniques, Jazz Ensemble, Keyboard I & II, Music Theory, and AP Music Theory. The 300+ members of the Patriot Band perform at all varsity football games, festivals, parades and other civic functions. District Marching Festival is held in October in DeLand; the Marching Patriots have scored straight superiors at this FBA adjudicated festival for 28 consecutive years. The concert bands perform in four home concerts and at the district and state assessment levels where superior ratings have been received consistently. Individual band members perform for ratings at Solo and Ensemble at the district and state levels. Throughout the years our band has had excellent representation in the All-County and All-State Concert Bands.

**Chorus:** The chorus department offers six different chorus classes in which a diverse group of students with a wide range of abilities have the opportunity to perform. All chorus students have the opportunity to perform in at least eight programs each year, including three annual concerts (i.e. autumn, winter, spring), two district level evaluations (District M.P.A.), two Disney holiday programs, and one state level evaluation. The chorus department has received multiple

district level “superiors,” thereby achieving the distinction of qualifying multiple groups to perform at “State” for 38 consecutive years.

**Dance:** The dance program, with over 200 students, offers Dance Tech 1-Dance Tech 5. There are two dance teams: junior varsity and varsity Sparklers. Auditions are held in April every year for students interested in trying out for one of the dance teams. The dance department produces two dance shows a school year, one in December and one in May. The Sparklers perform with the band during football season and at basketball games in the winter. Over the past eleven years the dance teams have won superior awards for their performances at the FBA District Festival. During the spring semester, the dance teams attend regional and state competitions where they have won many awards.

**Drama:** The Theater Department offers Drama 1; Acting 1, 2, and 3; and Stagecraft to over 200 LBHS students daily. The curriculum focuses on cultivating an appreciation for the performing arts. The students are asked to study a playwright and develop their own interpretation and presentation of the play. Such assignments provided in a creative environment require student participation and collaboration. This creative process instills self-confidence and encourages all students to “step out” personally and academically. The Thespian Troupe 2888 will compete in “Districts” this fall and “States” in the spring. The Theater Department will present a Showcase scheduled in November. The Spring Musical will be announced shortly after General auditions scheduled in August 2011.

## Lake Brantley High School

is located at 991 Sand Lake Road, Altamonte Springs, Florida. Founded in 1973, approximately 63% of the 2750 students at Lake Brantley participate in the award-winning Fine Arts Program. Participation in the arts at LBHS gives students not only outstanding artistic experiences in the visual and performing arts, but gives them skills to succeed in future academic and occupational pursuits.

LBHS Fine Arts Department is selling blocks of granite to be placed on the exterior wall near the band room.

Cost \$50.00.

Proceeds benefit LBHS Auditorium improvements.

Please make checks payable to LBHS.
