Special Presentation – Dierdre Garnes

Ms. Garnes spoke about Bullying and Harassment.

A committee has been formed at LBHS to address bullying and harassment. Ms. Garnes defined these terms, gave examples, statistics, and what LBHS is doing to address and prevent bullying. The committee is establishing partnerships with other stakeholders to come up with solutions and strategies to further address bullying. Discussion occurred and many suggestions were made; role playing skits, presentations by alumni or prominent sports figures in our community, a positive reward incentive, and greater definition of what bullying is.
